

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Approve addition of a 1986 Dodge 350 Pick Up Truck to the Parks and Recreation Department Fleet

MEETING DATE: May 7, 2003

PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That the City Council approve the addition of a 1986 Dodge 350 pick up truck to the Parks and Recreation Department Fleet.

BACKGROUND INFORMATION: Currently, the Parks and Recreation Department has a 1986 Dodge 350 (1 Ton) pick up truck as part of its fleet. This vehicle has been in service for 17 years and it has 108,944 miles.

This vehicle was used as a daily tow vehicle for a 7,000 lb. mower. It has been replaced by another vehicle and rather than surplusing the Dodge 350 pick up truck we believe it will fill the need as a maintenance truck for Parks Maintenance. Our maintenance crew will use the Dodge 350 pick up truck to perform maintenance duties at sites throughout the City. Our maintenance crew currently uses a dump truck of a flat bed which is not well suited for these tasks.

This addition of the 1986 Dodge 350 pick up truck to the fleet was approved by the Fleet Committee and policy requires that Council approve this action.

FUNDING: None

Roger Baltz  
Parks and Recreation Director

Prepared by: Larry Moore, Parks Fleet Coordinator
